

## Estancias de España

### ESTANCIAS DE ESPAÑA – HISTORIC HOTELS OF SPAIN – OBTAIN THE CHAMBERTRUST SEAL.

The ChamberTrust seal is the confidence mark which provide the Chambers of Commerce worldwide to the companies that offer guarantees of products and services that commercialize for their potential clients. The products, historic hotels and restaurants in Spain are available trough the Internet in [www.estancias.com](http://www.estancias.com) .To obtain the seal all the data of Estancias de España previously have been verified by the Camera of Madrid like member of the world-wide network of Cameras of **ChamberTrust**.

Thanks to the this seal, the chain of historical hotels in Spain contributes a greater confidence to its clients, guaranteeing that their services are so and as they are. In addition, when belonging to the international network of the Chambers of Commerce, a greater visibility on international scale in Internet through [www.worldchambers.com](http://www.worldchambers.com) is obtained, to which any company can accede to look for product information, services and companies of practically everybody. This data base counts on companies on international scale that have followed the procedure of validation to belong to the network in all the countries.
